

Staff Accountant

We are a mid-size public accounting firm located in Shelton and have been offering quality service to a wide range of clients and industries for over 70 years.

You will participate in the conduct of audit and accounting services and a broad range of tax preparation. You will be working with all levels of our team from advanced staff up to partners. The ideal candidate will be able to communicate with colleagues and clients, build on existing relationships and create opportunities for new ones. We offer a relaxed office environment, team building and reasonable busy season hours.

Position Requirements:

- Bachelor's degree in accounting
- Excellent verbal and written communication skills
- Proficient in MS office, including Excel and Word

Benefits:

- Competitive salary (including overtime pay)
- 401(k) Plan
- Education reimbursement
- Continuing Education
- Flex Time
- Health and Life Insurance
